CLOSEOUT MEMORANDUM

Case Number: A11030018

Page 1 of 1

OIG received an allegation that an employee of a NSF grantee¹ inappropriately used a government vehicle for personal recreation. OIG contacted the grantee and confirmed that two individuals had been on a temporary assignment for two weeks at a remote location and had no access to their personal vehicles. The two individuals used the government vehicle inappropriately and without authorization for a recreational activity on their day off. The grantee counseled the individuals, who accepted responsibility for their actions, and sent a memorandum to all staff reminding them of the government vehicle usage policy.

The grantee's actions adequately protect the federal interest, therefore, this case is closed.
