CLOSEOUT MEMORANDUM

Case Number: A11070050

Page 1 of 1

We assessed an allegation that a university¹ allowed NSF funded researchers² to improperly care for and use animals in research studies in an apparent violation of state law.³ The County District Attorney⁴ determined that the research studies did not violate state law. Our conclusion is that there were no violations of the NSF awards' terms and conditions. Accordingly, this case is closed with no further action taken.
