CLOSEOUT MEMORANDUM

Case Number: A11080052

Page 1 of 1

This investigation was opened to investigate whether a rotator at NSF¹ abused Independent Research/Development travel and whether he falsified a travel document. OIG reviewed relevant travel documentation and determined that the rotator's travel was consistent with prior travel patterns and was approved by NSF. The evidence regarding the allegation that a travel document was modified was inconclusive.

This case is closed with no further action taken.
