CLOSEOUT MEMORANDUM

Case Number: A11120086

Page 1 of 1

Our office received an allegation that the proposal¹ of a PI² contained plagiarized material. The PI utilized material from an awarded proposal³ in which the PI served as the co-PI and then PI before leaving the institution.⁴ Our review of the matter determined that the allegation was not substantiated as a similar program was proposed by the PI at the PI's current institution with scientifically distinct research projects. Accordingly, this case is closed with no further action taken.
