CLOSEOUT MEMORANDUM

Case Number: A12060045

Page 1 of 1

A PI¹ wrote to the National Science Foundation to withdraw his proposal for project renewal² and indicated that any unauthorized use of his proposal by the grantee institution³ would be plagiarism. The OIG coordinated with the Program Director⁴ to request information from the grantee institution about their plans to maintain compliance with the Proposal and Award Policies and Procedures Guide (PAPPG). The grantee institution replied that they would submit a letter to request a change in PI and withdraw the renewal proposal. Accordingly, this case is closed.
