## CLOSEOUT MEMORANDUM

Case Number: A13020026

Page 1 of 1

Our office received an allegation of plagiarism in a proposal<sup>1</sup>. The Subject<sup>2</sup> was intricately involved in a specific research program and the main source of copied text was from a white paper linked to that research program. We wrote to the Subject who confirmed that he was a co-author of the white paper in question and therefore his actions do not meet the definition of misconduct.

This case is closed with no further action taken.
