CLOSEOUT MEMORANDUM

Case Number: A13030039

Page 1 of 1

We received an allegation of plagiarism in an NSF Proposal.¹ During our inquiry, we found that all of the text in question belonged to a co-author and collaborator on the Proposal² whose name and biographical sketch had inadvertently been excluded from the Proposal during its final preparation by a University administrator.

We therefore find that the allegation is unsubstantiated and, accordingly, this case is closed.
