CLOSEOUT MEMORANDUM

Case Number: I-19-0015-O

Page 1 of 1

We initiated this case upon receipt of several news articles on the resignation from a previous job by an NSF employee. To determine if the employee disclosed the resignation during the background investigation required for employment with NSF, we requested and reviewed files from the Office of Personnel Management (OPM). Our review found that the employee disclosed the resignation. No further investigation is warranted.

Accordingly, this case is closed.
