## CLOSEOUT MEMORANDUM

Case Number: I-03120074

Page 1 of 1

OIG selected this award<sup>1</sup> as part of a random review of awards for conferences, workshops and symposia. In response to our request for costs claimed and incurred for the \$[REDACTED] grant, the grantee<sup>2</sup> provided information that indicated a total of \$11,270 in expenses. The grantee did not show which expenses were charged to the NSF grant.

OIG contacted the organization and requested a more detailed account of how the NSF award was appropriated. The organization provided a list of the participants supported by the NSF grant, how much of the grant monies went to that support, and an appropriate explanation for the use of the program income received from the registration fees. Further, there is no indication that the principal investigator<sup>3</sup> made any false statements to NSF about its use of federal funds. Accordingly, this case is closed.
