CLOSEOUT MEMORANDUM

Case Number: I-09070035

Page 1 of 1

This investigation was opened in response to an allegation that an institution¹ had misappropriated resources from an NSF funded center² that was co-located at the institution. A review of an NSF award³ to the center and interviews of former employees found no evidence to support the allegation.

In light of the above, no further investigative effort is necessary in this matter.

Accordingly, this case is closed.
