MEMORANDUM OF INVESTIGATION

Case Number: I10090044

Page 1 of 1

We received an allegation that a Co-PI¹ on an NSF award² was misusing the NSF Award funds to support expenses unrelated to the NSF award. The Grantee University³ conducted an internal review that identified unallowable expenditures⁴ and removed them from the award. We requested and reviewed all financial documentation and determined the allegation was not substantiated.

This investigative case is closed with no further action taken.
