CLOSEOUT MEMORANDUM

Case Number: I10090047

Page 1 of 1

OIG opened this investigation based upon allegations that a University¹ had falsified that its courses/curriculum for a certain graduate program² were approved by appropriate authorities³ and that grant funds on an NSF award⁴ had been misused because the University does not have an MS or PhD program for the particular graduate field of study.

Our investigation found no evidence to support the allegations. Thus no further investigative activity is warranted.

This investigation is closed.
