CLOSEOUT MEMORANDUM

Case Number: I10110051

Page 1 of 1

We received an allegation that a PI¹ submitted duplicate proposals in 2007 to NSF² and the state.^{3,4} Additionally, it was alleged the PI failed to mention his 2007 NSF or state award on the Current and Pending Support (C&PS) form for his 2010 NSF proposal.⁵

We contacted the PI. Information and documentation he provided indicated he had accurately completed the C&PS forms for his 2007 and 2010 NSF proposals, and that he had not received state money in direct support for the NSF-funded project. His College's cognizant Fiscal Officer⁶ provided a letter confirming that the state award was not a direct award to the project, but rather was allocated to all the projects within a certain institutional facility.⁷

Accordingly, this case is closed and no further action will be taken.
