## CLOSEOUT MEMORANDUM

Case Number: I11030008

Page 1 of 1

OIG received an allegation that a program at NSF might be inappropriately comingling funds from two different funding codes. .OIG reviewed the available information in the financial systems and sought information from the NSF program. Funding from these two discrete codes can be used to jointly fund a project. Comingling of the two funds does happen and is openly tracked by the NSF systems. There is no substance to the allegation that the funds are comingled inappropriately.

This case is closed with no further action taken.
