**Case Number: I - 11060022**

**Page 1 of 1**

NSF's Office of Inspector General was alerted about a matter concerning duplicative funding in proposals submitted by a company<sup>1</sup> to NSF. This matter was investigated to determine whether or not this allegation could be substantiated. A forensic review of the company's finances revealed that this company did not receive duplicative funds from NSF. However, NSF OIG discovered that the company did not adhere to the terms of the grant and repaid the misspent funds<sup>2</sup>.

Accordingly, this case is closed.
