Page 1 of 1

We conducted an investigation of a PI<sup>1</sup> and his company<sup>2</sup> with an NSF SBIR award<sup>3</sup> to determine if award terms and conditions were being followed.

The review found no evidence of fraud or misappropriation of award funds but it was noted that the institution had some questionable administrative practices. A letter will be forwarded notifying the PI and his company of issues and concerns found. There are no further issues to pursue in this matter. No further action will be initiated.

This case is closed.
