CLOSEOUT MEMORANDUM

Case Number: I11120046

Page 1 of 1

An online news article reported that a non-profit organization¹ settled a civil False Claims Act case by agreeing to pay the U.S. government \$1 million. The article reported that the organization falsely reported labor costs incurred under various federal grants. We initiated a case to determine if the NSF award² received by the organization had been affected. We requested relevant award information from the organization, and based on our review, we did not identify any issues.

Accordingly, this case is closed.
