CLOSEOUT MEMORANDUM

Case Number: I12010002

Page 1 of 1

We reviewed NSF awards to several related small businesses¹ under the SBIR program. We determined that the businesses had received a large number of SBIR awards through multiple agencies.² We reviewed financial documentation for two representative NSF awards³ to one of the businesses, but did not identify any questionable expenditures incurred in the performance of those awards.

Accordingly, this case is closed.
