CLOSEOUT MEMORANDUM

Case Number: I12100074

Page 1 of 1

An investigation was opened on a company¹ with an SBIR award² pursuant to a proactive review³. It was discovered that the company had a concurrent SBIR award⁴ with a different federal agency⁵ that contained potentially overlapping work.⁶ A review of both awards was conducted by a scientific expert⁷ and it was determined that no overlapping work exists.⁸

The allegations were not substantiated. This investigative case is closed with no further action taken.
