CLOSEOUT MEMORANDUM

Case Number: I13070046

Page 1 of 1

This case was opened from an allegation that the complainant¹ had been retaliated against by his institution² for reporting a misuse of NSF award funds to the institution's auditor's office.

Our investigation concluded that the underlying complaint of misuse of NSF award³ funds had been previously investigated and unsubstantiated by NSF OIG⁴. It was also determined that our office did not have jurisdiction to investigate the retaliation claim.

This case is closed with no further action taken.
