MEMORANDUM

DATE: October 11, 1994

FROM: [REDACTED] Special Agent, Investigation Section

THRU: [REDACTED] SAC, Investigation Section

SUBJECT: Allegation that NSF employees [REDACTED] and [REDACTED] were abusing [REDACTED] policies and doing private business on government time.

TO: Case Number I94050025

In the spring of 1994, this office received an anonymous allegation that NSF employee [REDACTED] was signing in on [REDACTED] and then proceeding to walk and exercise around Ballston Commons Mall without signing out. In addition, the allegation charged that NSF employee [REDACTED] was signing-in and signing-out other NSF employees for unauthorized absences, using NSF office equipment to conduct private business and using government time to work on her private business.

Both Ms. [REDACTED] and Ms. [REDACTED] were interviewed. In addition, [REDACTED] sheets from their office were reviewed. There appeared to be no discrepancies and no wrongdoing on either one of their behalf.

Since there is no other evidence to substantiate the allegation, it warrants no further investigation.

This case is closed.
