MEMORANDUM

DATE: August 21, 1995

FROM: [REDACTED] Special Agent [REDACTED]

THRU: [REDACTED] Special Agent-in-Charge

SUBJECT: NSF Employee's Posting of Links to [REDACTED]
Internet Sites

TO: File I95070025

On July 10, 1995, our office received documents from the Office of Information Resource Management which showed that [REDACTED] an [REDACTED] in the Directorate for [REDACTED] [REDACTED], had posted [REDACTED] links on his NSF-sponsored internet homepage. However, when we attempted to log on to these links from [REDACTED] homepage, we found that they had been removed. We eventually found the links via a [REDACTED] University server and determined that [REDACTED] did not violate any federal obscenity statutes.

We have referred this matter to [REDACTED] for appropriate personnel action. This case is closed.
