CLOSEOUT MEMORANDUM

TO: AIGI	File Number: 196010005	Date: 05 March 2002
Subject: Closeout Memo		Page 1 of 1

There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed of possible employee embezzlement, theft, or fraud. We received an allegation that a POWERMAC 8500 computer was stolen, as were memory chips from another POWERMAC 8100. We found no evidence of memory chip theft, but three 8100s did not contain the amount of memory that had been ordered. We recommended that DAS contact the company that shipped the computers to NSF¹ and request that additional memory for the 8100's be sent to NSF.

Accordingly this case is closed.
