There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed that the subject¹ was alleged to have committed illegal actions. We received information from an FBI report that the subject, an OIG employee, had been arrested in July 1995 for possession of marijuana and paraphernalia. The subject received probation before judgment for the offense, but answered "no" on her Declaration of Federal Employment to the question about her ever being put on probation. The subject's supervisor and the OIG administrative head decided to allow the subject to resign, effective June 30, 1997.

Accordingly this case is closed.
