There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed that the subjects<sup>1</sup> were alleged to have a conflict of interest with their positions at NSF and their roles as PIs on an NSF grant.<sup>2</sup> OIG reviewed the grant jacket regarding potential conflicts of interest issues. Both subjects were identified as PIs on the grant and they addressed their conflicts by withdrawing as PIs. No funds have been expended on the grant and therefore no issues existed regarding improper grant expenditures.

Accordingly this case is closed.
