There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed that a company¹ was alleged to have had the NSF logo on their homepage. OIG found that another company² had given the subject and other companies the NSF logo. This company had an NSF contract to run SBIR conferences as well as to put the SBIR catalog on the WWW. They had acquired the NSF logo for that purpose. This company is sending OIG a list of other companies that might be using the NSF logo.

Accordingly this case is closed.
